In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for High Pressure Sterilizer" with the above enquiry number.

This enquiry will be closed on the 26th December 1952.

SCHEDULE.

	Quantity required	Price quoted F.O.R.
Steam Jacketted Pressure Sterilizer, 20" inside diameter and 36" long, for dressings, solutions, utensils, in monel metal construction. Electrically heated. 400 volts, 3 phase, 50 cycles supply		
Horizontal Generator of bronze and copper fitted with electric heater controlled by a dialed switch and indicator, with pilot light which glows continuously only when current is on. With heat is turned on, full capacity of heater will operate until desired pressure is reached which will be automatically maintained with variation not to exceed one pound either way. The generator is equipped with float type water guage.	One	Bangalore
A Low Water Cutout: All heat is automatically cut off if water depletes dangerously during sterilization, by a positive action float type cut-out.		
Thermometer of wide reading scale, graduated permanently accurate within one degree.		
Safety Door with Positive Action Lock:—The door must have automatic safety lock; when in use under pressure an inernal clutch should engage with the hand wheel preventing disengagement of locking arms until pressure is exhausted.		

NOTE:—Rates for delivery f.o.r. Bangalore, including insurance and installation charges will be preferred.
Sales-tax, if any, should be quoted separately.
Quotations will be opened at 2 P.M. on the next working day after the closing date.
No enhancement in prices will be allowed after the acceptance of the tender.
